PROFESSIONAL SUMMARY

Detail-oriented B.Tech (CSE) student with a strong background in campus leadership and program coordination. Proven ability to bridge communication between students and organizations through roles in **NSS** and **GeeksforGeeks**. Expert in managing digital communities and executing large-scale events, seeking to contribute to the student outreach initiatives at **TechLeap Academy**.

EDUCATION

B.Tech in Computer Science & Engineering | *Expected 2028* **Raj Kumar Goel Institute of Technology (RKGIT), Ghaziabad**

- **Current Status:** 2nd Year (4th Semester) | **Roll Number:** 2400330100128
 - **Key Focus:** Data Analytics, Cybersecurity Foundations, and Cloud Computing.
-

LEADERSHIP & EXPERIENCE

Event Coordinator | National Service Scheme (NSS)

- **Program Management:** Spearheaded a campus-wide Quiz Competition for 100+ participants, managing end-to-end execution, scheduling, and volunteer teams.
- **Operations:** Coordinated logistics, venue management (CRC Ground), and secured administrative permissions from college authorities.
- **Student Outreach:** Acted as the primary bridge between faculty coordinators and the student body to ensure high participation and engagement.

Student Member/Lead | GeeksforGeeks (GFG) Student Chapter

- **Community Building:** Moderated digital student communities (WhatsApp/Telegram) to share technical resources and event updates.
 - **Promotion:** Assisted in promoting technical webinars and workshops, resulting in a measurable increase in student involvement in coding challenges.
-

TECHNICAL PROJECTS

Project Lead | SecureHealth (Healthcare Application)

- Led a 2-person team to design a telehealth platform featuring a symptom checker and professional consultation modules.
- Managed the project roadmap and implemented a strategic tiered subscription model for user growth and retention.

Participant | Smart India Hackathon (SIH) 2025

- Collaborated in a high-pressure environment to develop tech-driven solutions for community health monitoring and disaster preparedness.
 - Presented technical workflows and prototypes to industry judging panels, honing professional pitching and presentation skills.
-

CORE SKILLS

- **Management:** Student Coordination, Event Planning, Community Engagement.
 - **Communication:** Public Speaking, Professional Drafting, Social Media Outreach.
 - **Digital Tools:** Google Workspace (Sheets/Forms), Microsoft Office, Canva, Zoom/Meet.
 - **Technical:** Python, C++, Data Analytics, Strategic Planning.
-

INTERESTS & ACHIEVEMENTS

- **Literary Arts:** Passionate about writing Shayari and literary analysis.
 - **Volunteerism:** Active volunteer for community service and technical awareness drives.
-
